

## Now it's Even More Convenient to Recycle Cooking Oil.

Dallas Fire Rescue (DFR) and Cease the Grease have teamed up to offer more used cooking oil recycling locations. You can now bring your used cooking oil in a plastic bottle with a screw top lid to **three** new drop-off cages at DFR fire stations.

Please do not give your used cooking oil to fire fighters.

### Participating DFR Locations:

Station #33

2540 South Vernon Ave @ Illinois Ave

Station #34

1234 Carbona Dr @ Lake June Road

Station #35

3839 Walnut Hill Lane
