

All About Earth Fest

EarthFest brings fun, festivities, and the environment to the downtown area and to the community.

Vocal Trash is among the many live music highlights of EarthFest.

Two downtown plazas of fun, festivities, and important information about the environment make EarthFest a great way to celebrate Earth Day.

EarthFest is...

Fun

A street fair held in celebration of Earth Day, the event features a wide variety of activities spread across two downtown Dallas plazas. Live music, face painting, balloon artists and many surprises add to the fun.

Environment

Numerous exhibits make EarthFest a unique place to get the latest information on a variety of environmental topics of interest. Experts demonstrate, answer questions and discuss.

Fashion

EarthFest's Recycled Fashion Show remains an annual highlight. Each year's designs, made of recycled materials by area designers, are stunning. Awards are given to the top creators, selected by a panel of experts.

Clean-Up

As part of EarthFest, teams of volunteers from the Dallas business community participate in a range of cleanup activities, taking the spirit of Earth Day to the community.

EarthFest is presented by:

Visit the EarthFest partners at Earth Day Dallas on April 22 and 23 in the Dallas Arts District.
